

CCHS is excited to announce the opening of our new location, 707 Fairmount Ave across from Sam's club in the Fairmount Plaza. We now offer a larger selection of items for sale including: furniture, appliances, clothing, books and unique household items at great affordable prices, all benefiting the animals of CCHS.

2nd Chances now offers pick up service for large donations like furniture and appliances. Picks ups are done every Wednesday or by appointment, feel free to call us at 664-4504 to set one up!

At 2nd Chances we try to limit our spending on merchandising and other needs to as minimal as possible to ensure that we are giving the animals the maximum profits possible. Having said that, we are in need of shelving for displaying merchandise at the store so if you have any old bookshelves, metal shelving or something you think could work well for display give us a call and we'll come pick it up. Any shelving would be greatly appreciated. At this time we share the Humane Societies van for doing our pick ups. We are again looking for any help with getting our own old van or large truck so we're not spending money that the animals need.

We would like to thank all of our patrons and everyone for their donations to the thrift shop. Your contributions are what make the store a success. Remember that those unwanted items around your house can be turned into a donation for the animals of the Chautauqua County Humane Society.
